RE: Docket No. 2005-238-C – In the Matter of Application of Sprint Long Distance, Inc. for a Certificate of Public Convenience and Necessity to Provide Intrastate Resold Telecommunications Services, for Alternative Regulation, and Waiver of Certain Commission Rules

Dear Mr. Terreni:

As you are aware, Sprint Long Distance, Inc. prefled verified Supplemental Direct Testimony of C. Steve Parrott in the above-referenced matter on November 17, 2005. Subsequently, the Hearing Examiner issued a directive in the docket scheduling a hearing for Monday, December 5, 2005. Sprint has recently finalized its plans to simultaneously commence marketing long distance services to South Carolina consumers and consumers in seventeen other states on December 12, 2005. Sprint would like its South Carolina customers to enjoy the benefits of this new long distance service on the same schedule that its customers in the other seventeen states will enjoy.

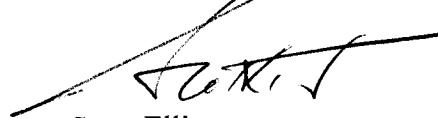

Because there is currently no Commission agenda meeting scheduled for the week of December 5, 2005, Sprint Long Distance, Inc. respectfully requests that the matter be specially considered by the South Carolina Public Service Commission during the week of December 5, 2005, sometime after the scheduled December 5 hearing, so that the proposed national rollout of services might begin on December 12, 2005.

Mr. Terreni
